-----------	---	-----------------

Rules:

Games consist of two 13-minute halves, with a 2-minute break in between.

Win = 3 points

Tie = 1 point

Loss = 0 points

The team with the most points from each pool will win that pool. The pool winner with the most points advances to the Championship game on Sunday. The two remaining teams will play a semi-final game on Saturday with the same modified time rule stated above. The winner of the semi-final game advances to the full length Championship game on Sunday, May 20 at 1:00 p.m. on Field H.

Seeding Tie Breaker: Head to Head (if applicable); if not determined, then Goals Allowed; if still a tie, then Goals Scored; if still a tie, then a coin-toss.

**If necessary, use the tie-breaker to determine winners of individual pools first. Then, it can be used again if needed to determine the seeds for the championship and semi-final games.

Semi Final & Championship Game Tie Breaker: One five minute overtime period will be played, if the score remains tied a second five minute overtime will be played. If the score remains tied after two five minute overtime periods, a modified shoot out will occur, having the player shoot, then play goalie (or play goalie then shoot). The team with the most goals scored after five kicks for each team is the winner.
