

Donation Request

February 2020

Greetings!

BYSA provides over 1,200 Billerica athletes from ages 3 to 18 years the opportunity to learn soccer in a fun, supportive, progressive, and technically challenging environment. We endeavor to foster a lifelong love of the sport while escalating our players skills that range from recreation to elite, through the operation of our fall and spring instructional, intramural, and travel programs.

In order to provide continued support of the program we will hold an annual fundraiser to help offset player development and training costs. This year we are going back to Casino Night which will be held on Saturday, May 2nd at the Billerica Elks. At this event, we expect 200+ attendees to play table games that your business can sponsor in various capacities. or bid on raffle baskets and prizes comprised of products, gift certificates/cards, and events from local vendors.

We need your support and hope you are interested in being represented by sponsoring an event table or providing an item or gift card for raffle. In addition to helping our athletes, it is a wonderful way to get exposure for your business. Also, Billerica Youth Soccer Association is a 501(c)(3) tax exempt organization (Tax ID # 04-3137512) that allows you to write off your donation. Please complete the information below.

Thank you for your consideration and generosity,
Billerica Youth Soccer Association
