Coaching Experience

I started coaching soccer 6 years ago, coaching mixed ages and abilities. I completed my qualifications with Bolton Wanderers Football Club where I did my FA Level 1 and 2, I also worked for the club coaching. When I arrived at university I helped coach one of the academy teams for a couple years.

This will be my third year coaching in America, I have previously coached in the Mid-West region, California and also Canada where I coached in Toronto and Winnipeg.

Playing Experience

I started playing soccer when I was 3 years old. I played semi-professional until I was around 18/19. I injured my ligaments in my left ankle and had to have an operation. After that I focused on the coaching side and now I just play for fun.
