

Challenger training schedule: Fall 2016

Challenger team practice sessions will start on Monday 9/5 and run for 8 weeks. During the season, please communicate with your trainer if you need to cancel any practice due to weather or for other reasons. If weather is a factor for training sessions, they may be canceled in several ways:

- The Rec Dept. may close all fields – you will be notified via e-mail
- Coaches may cancel practice if they see it fit to do so. Please let the Challenger trainer know if you do cancel.
- Challenger trainers may cancel practice at the field itself if there is sudden rain or lightning that presents safety issues. They will stay at the field to notify any arriving players and coaches.

Please note that it is REQUIRED and very important that coaches attend their team's Challenger practice sessions to help out and learn!!! It is not an option to skip challenger and hold a coaches practice instead. The Challenger coaches will work with you to develop training sessions, so please communicate any needs your team has.

Challenger session location:

Challenger training sessions will take place at Marvin Field.

Please note: The first few weeks, these clinics will be held at Francis Wyman.

When the practice-scheduling tool is opened up for you to select your parent coach led practice location and day, please select a different coach led practice day from your Challenger training day. (i.e. You can't do both on a Monday). If you would like another day or time slot, please contact the coach who has that slot and see if they can switch with you. If you work something out, let us know and we will change the schedule. U10 teams are doubled up.
