Direction [Directions](#)

Notice now there is a blue link with “Directions” click on that:

This happens a lot, so just “open this content in a new browser” ---click on it.

Google maps will open up---as long as the soccer club has uploaded the directions to their fields into sportsmanager.

There are meeting minutes and other information here for another discussion.

Again, none of this required a login event with a password.

If you want to see the Midland Area Youth Soccer page, (out parent organization):

<http://www.sportsmanager.us/orgmanager/maysl.htm>

Here you can see what all of the other towns are doing with field closures, schedules etc....
