

New Uniforms Starting in Fall 2016!!

Please note that the DSA is proud to announce that beginning in the Fall 2016 we will be changing our uniforms to Under Armour. All players will be required to purchase these new uniforms for the Fall season. A great deal of research and effort went into making this decision and we feel these will provide a modern, stylish, higher quality and longer lasting product than we are currently using. More to follow in the upcoming weeks.

Required uniform sets will include 2 shirts (Navy & White), pair of shorts (Navy) and pair of socks (Navy), costs comparative to current pricing structure.
