

## **DG BASEBALL 2020 COVID-19 GUIDELINES**

**Along with the following guidelines and restrictions set forth by the CDC, NY State and NYC Health Officials, and Little League Baseball, DG will also include the following guidelines in order to help our members and athletes remain as safe as possible throughout our 2020 Fall Baseball Season.**

- Parents and players are responsible to bring their own hand sanitizer and use it frequently.
- No seeds, gum, or spitting allowed.
- Water bottles and drinks should not be shared between players.
- No high fives or handshakes are recommended. After a game, players should line up on their respective foul lines and tip their caps to each other as a sign of good sportsmanship.
- Coaches and spectators will be required to wear masks or face coverings.
- Players are not required to wear facemasks on the field during play but may do so if desired.
- Parents and spectators must maintain social distancing inside and around the park while watching a game or waiting for your game to start. Only 2 spectators per athlete at the game.
- Every player must bring a chair. Half the team will sit on the bench and half the team will be on chairs to keep a safe 6 feet distance between players.
- Every player must bring their own glove, baseball bat and helmet. Sharing equipment is not permitted.
- Cleaning supplies will be issued to coaches to disinfect catcher equipment.
- Players will be responsible for cleaning the dugouts of any garbage, bottles, or debris after each game.

**HAVE A FUN AND SAFE SEASON!**
