MISSION STATEMENT
The mission of the Dwarf-Giraffe Athletic League is to offer challenging and exciting programs that provide each person the opportunity to become a better rounded individual. Our belief is that good sportsmanship is an ongoing process that can be taught, learned and practiced through organized sports and social functions. This mission cannot be achieved without the involvement of all participants, kids, coaches, referees, parents and community leaders. We encourage this collaboration to support the growth of all our participating children and young adults both athletically and socially.

HISTORY
Some young men who played softball together, the smaller guys calling themselves "Dwarfs" and the taller guys calling themselves "Giraffes", decided to form a social club and try to help the youth in the community. They went to a local parish priest, the late Reverend O'Connell of St. Luke's Church, with the idea of fielding one of two baseball teams for youngsters. The turnout was overwhelming, with over 200 boys signing up. Thus in 1955, the Dwarf-Giraffe Boy's League was born. In 1966, the League purchased its present site at 140 SR 14th Road. It was formerly the Biker Theater, lounge bar.
