

Twice a year, DG mails out our Newsletter to update families on what we are doing, how things are going, coming events and of course pictures our children playing in the various sports that they participate in.

Beginning this year, our Newsletter will be sent to all of our families via e-mail. We feel that this may be a better delivery mechanism than traditional US Mail. This process also allows us to publish the Newsletter in color! Same Newsletter as always, just a new way to deliver it to our ever-growing population of families, sponsors, volunteers and of course, our biggest asset - the kids that play at DG. You will still be able to print it at home if you like, or save it to your computer to read it at your leisure - or just read it and close it when you're done! And in the spirit of contributing to saving our environment, we are creating less waste - consider it "DG Goes Green".

So in the coming days - be on the lookout for our 2011 January Newsletter edition, a lot has happened at DG since last fall and a lot is coming up in the next few weeks.

Also, if you have any feedback, comments on our new venture or any other topic - please feel free to contact us by e-mail us at: info@dwarfgiraffe.com or call at: 718 746-1539.
