All of the players listed above should be considered to be in bad standing within EPSA until they satisfy the aforementioned indebtedness with the club listed. If any of these players does satisfy the debt in question, the club is required to notify EPSA immediately, so this player's listing can be deleted.							
Any club that has a player in arrears to them that has ceased playing for them, can add that player to this listing by submitting all of this information in writing to the State office.
