The goal of this camp is to develop better softball skills for every participant in a fun, encouraging setting. We will cover all aspects of the game. The beginner player and the more experienced player can both benefit, as individual and group activities are geared to challenge each campers' ability. On the first day of camp each participant will receive a T-shirt which has to be worn while attending camp.

Our staff includes coaches and players from the high school and college level. Camp will run daily from 9:00am to 2:00pm and begins immediately after the Fair Lawn school year ends. Campers must bring their own glove; bring bat & helmet if they have their own. Must provide own lunch/drinks, or purchase refreshments on site. An email confirmation will be sent to confirm registration about a week prior to camp.
