I am willing to assume these risks on behalf of my child. I have read and understand the above form. I have also read and signed the Fair Lawn All-Sports Code of Conduct, and will abide by all the codes in that statement.

FAIR LAWN ALL SPORTS - CODE OF CONDUCT

The Fair Lawn All-Sports Board of Directors requires that a parent or guardian of each participant sign below. This acknowledges that they have read this sheet, understand it, and agree to conform to these rules.

1. It is understood that there will be **no** arguing with officials or coaches at any time.
2. It is understood that profane or abusive language will not be tolerated at any time.
3. It is understood that fighting will not be tolerated at any time.
4. It is understood that there will be no smoking or drinking of alcoholic beverages before or at any All-Sports field or activity.
5. It is agreed that each player and parent/relative/guardian will conduct themselves in a proper manner.

Violations of any of the above will lead to automatic ejection from a contest. In an attempt to ensure that our coaches, parents, and players conduct themselves with proper behavior and are able to enjoy participation in All-Sports activities, we have created the following guidelines:

Players

- a. If a player is ejected from a game-the All-Sports Sportsmanship Committee will issue a warning to the player and the committee has the power to suspend the player from further games.
- b. If a player is ejected a second time during that season the Sportsmanship Committee will issue a warning to the player, but the committee will consider that this is the second offense and will in all likelihood issue a much harsher ruling depending on the specific circumstances of the ejection.

Coaches

- a. If a coach is ejected from a game-the Sportsmanship Committee will automatically suspend the coach for the next scheduled game and the committee may issue a harsher ruling depending on the circumstances of the ejection. Any fines issued by a league will be paid by the coach.
- b. If a coach is ejected a second time during that season - the Sportsmanship Committee will issue a minimum of a two game suspension and again has the authority to issue a harsher ruling depending on the circumstances.
- c. Should a coach **instigate** a physical situation or a fight - the Sportsmanship Committee will automatically suspend that coach for the balance of that season and again has the authority to issue a harsher ruling depending on the circumstances.
- d. If a coach takes players from All-Sports to form a separate team with a different organization they will be banned from coaching in any All-Sports activity.

Parents/Relatives/Guardians

- a. If parents, relatives or guardians of a player are abusive or cause a disruptive situation, we would ask our coaches to first attempt to stop this behavior. Any fines issued by a league will be paid by the parent. If the fine is not paid, the child may be prevented from participating in any All-Sports activities until such fine is paid. In the discretion of All-Sports the offending person may be banned from attending any All-Sports contests, and if they do attend, their child or children will not be able to participate in those contests.

There will be no refunds for dismissals from any programs for sportsmanship violations. Fair Lawn All-Sports hopes that none of the above penalties will have to be implemented, but rather that our players, coaches, and fans will enjoy their season and let our players play and learn under the proper guidelines and conditions.

1st and 2nd Grade Girls – Typically Saturday Sessions morning 11:00-12:30 am

The boys and girls program is a minimum of 8 weeks long with an extra week if inclement weather does not affect the schedule. The first four weeks of the program uses Professional Trainers to assist our coaches in the continuing development and practice techniques of our players. The program is set up to teach new skills every week for one half of the weekly session. The second half of the session uses game situations to implement the new skills.

Enjoy the Opening day Soccer Kickoff that is annually held at the Complex. You will have the opportunity to purchase Fair Lawn Soccer clothing and other soccer items at that time.

3rd grade – 8th grade Boys and Girls Recreation Program

Teams participate in NWBSA (Northwest Bergen Soccer Association) with teams from towns in the general Northwest Bergen area. There is a 10 game season starting on the first weekend of September following Labor Day and runs into November. There are generally two practices a week, typically boys on Mon/Wed and girls on Tues/Thurs. The Girls play on Saturdays either 9:00 or 11:00 am. Boys play Sundays either 1:15 or 3:00pm. **Players are placed in appropriate Divisions based upon date of birth or by grade. Players are drafted and teams are set in May. Player/Team requests WILL NOT be taken. Any child registered after June 1 when all teams are submitted to NWBSA is not guaranteed to have a spot on a team.**

Please note that a \$50.00 surcharge will be assessed to any registration Grade 3-8 after the May 15, 2017 deadline.

Select Boys and Girls 3rd – 8th grades

Select Teams will play in the Northern Counties Soccer Association League which is a high level competitive Club soccer league to focus on the development of player skills and provides players the option to play in a league striving for the highest level of soccer competition. These teams will be selected based upon the skill, desire, and dedication of the player. There will be at least two tryouts for each team in May and it is strongly encouraged that players attend all tryouts.

Games are generally on Saturdays for the boys teams and Sundays for the girls teams, which avoids conflicts with Recreation Soccer games. For 8-10 weeks, one of the practices each week will be lead by a professional soccer trainer.

Players who try out for these teams and are successful are still expected to play in FLAS Recreation Soccer. Our Recreation coaches are advised and understand that the Select practices have priority, especially the trainer-led sessions. FLAS encourages all Select players to attend at least one Recreation practice per week and they must play in the Recreation games. Any players that do not participate with their drafted Recreation team games will be held accountable.

Depending on the number and quality of players that try-out players will be placed on teams as follows for both Boys and Girls to be determined by Birth Year: U-8 (2nd/3rd Grade), U-9 (3rd Grade), U-10 (4th Grade), U-11(5th Grade), U-12(6th Grade), U-13(7th Grade), and U-14/U15(8th Grade). The birth year of the player during 2017 will control the group in which they can play. **The Grade reference is the “general” grouping that takes place.**
