SUMMER SOCCER CAMPS

The Sports Factory, in conjunction with Fair Lawn All Sports, offer a range of camps for all ages, abilities and locations. Our camps are all designed to help players improve their technical ability and understanding of the game in a fun and challenging environment. They're the perfect place for any soccer enthusiast looking to improve their skills, work hard, make new friends and have fun.

Fundamental ball mastery techniques, dribbling, 1 v 1 tricks and turns, passing and control, shooting and finishing are all elements involved within the camp curriculum and carefully designed by The Sports Factory Coaches to focus on each individual players development.
