The registration fee is \$90.00 for: T-ball, Girls T-Ball and Instructional.

For families with more than one child in the baseball and/or softball programs: the fee for their oldest participating child is described above; the fee for all of their other children is \$90.00 per child.

These fees partially defray the cost of equipment, uniforms, umpires, coaching certification (including the MorphoTrak fee for coaches' background checks), etc. and must be paid at registration. *****Please note: The 2019 baseball and softball seasons are expected to start on or about mid-March and run through the first week of June. These sports depend upon reasonable weather and field conditions for a safe level of play. As much as we wish we did, WE DO NOT CONTROL THE WEATHER. We work very hard to get fields back into playing condition after weather events and make every effort to get in as many practices and games as we can. There will be days when practices and/or games are cancelled due to weather. Additional practices and/or games can only be added based upon the weather and field availability.***
