

ABOUT US...

The Fair Lawn Human Services Department assists Fair Lawn residents who need help getting through hard times. Funded entirely by private donations, our food pantry is utilized on a regular basis by Fair Lawn families who receive a bag of food each week.

Each summer the residents of Fair Lawn outfit many students in need with school supplies through their generous donations. In the Fall and Winter we look forward to our Holiday Food Drive and Holiday Gift Drive. The purpose of the Holiday food drive is to provide a complete Thanksgiving meal for our needy families. During the Holiday Gift Drive items from children's wish lists are placed on our bulletin board where residents can stop by the Health Department in the Municipal Building and pick what they would like to purchase.

Fair Lawn residents, students and businesses are truly that backbone of the Human Services Department. Donations of all kinds are immediately put to good use. The clients who receive these items are always grateful to their neighbors who take the time to lend a helping hand.
