

Fair Lawn All-Sports is Proud to Present the “STARS” Basketball Program for the Winter of 2020 (Saturdays, Jan 4 thru February 29) for Children with Special Needs ages 5 to 16.

What is unique about this program?

Fair Lawn All-Sports, in conjunction with the Fair Lawn ADA Committee, has established a basketball program to help enrich and promote an active lifestyle, good sportsmanship, a higher sense of self-esteem and help improve overall social and physical skills.

How does the program work?

We will have small groups of players who will be led by a host of enthusiastic coaches and volunteers from the Fair Lawn High School. We will make every effort to maintain a high ratio of coaches to players. By providing a high ratio we intend to foster a love of learning a new sport through positive development and successful progress. All of our coaches and volunteers have received instruction in the fundamentals of the game.

When will we play?

We will play on Saturday afternoons, January 4 thru February 29 from 4:00 to 5:00 at the Fair Lawn Community Center.

What ages can play?

The program is open to children ages 4 to 16 years old. We will group the players by age and/or ability.

How much will it cost?

The cost is \$35 per player. This will include a tee shirt and an end of year Pizza party and Participation Award.
