

2011 Fair Lawn All Sports

Fall Soccer Registration

Monday March 14th Wednesday March 16th

&

Monday March 21st

from 7:00pm to 8:30pm

In the lobby of the

Fair Lawn Community Center on Kipp Street

Fair Lawn All Sports Soccer Registration forms will be coming home from school and are also available on the website at www.flallsports.org. Please read the registration form, fill out the form and sign the Code of Conduct on the back of the form. Parents for all players 3rd through 8th grade, attach a picture to the registration form. This is required for NWBSA and Northern County League Registration. Registration will not be accepted with required pictures. Parents registering players for the Kindergarten or 1st and 2nd grade programs are not required to attach pictures to the registrations. All first time players registering for the first time need to submit a copy of the players Birth Certificate with the registration.

Information sheets which explain the programs for all different age groups are also available on the website. This outline provides times for games and practice times for teams at all ages.

For all parents that want to coach this year, Fair Lawn All Sports has a mandatory background check requirement for all coaches. This is run through MorphoTrak. Appointments and registration for this background check will be available at our three registration dates listed above. This background check along, with our annual 3 hour Soccer coaches' certification is mandatory requirements for any parent to coach fall soccer in the fall. Our Coaches Certification session this year will be either the 2nd or 3rd week of June. Exact time and date will be sent out once finalized.

All are encouraged to sign up at these registrations to avoid fines.

Please note the \$15 late fee assessed to any registration submitted after May 1st. Any child registered after June 1st is not guaranteed a spot on a team.

All adults interested in coaching soccer in our program for the first time, background checks will be available at these registrations. All instructions, applications and procedures are available at these registrations.
