

Hello Grade-Two Instructional Families!

Just as you're coming to grips with your student moving to grade three, it's a milestone for your player to be moving to the FYSA Academy Program! We've heard parents make comments such as, "it's starting to feel like a real soccer game!" We don't disagree, and Academy is where the pieces really start coming together.

All season, we've introduced new rules to our sessions so players can get used to the routines of kick-offs, throw-ins, goal-kicks, and having goalies, etc. Well, it is our hope to give our second graders a real taste of what they can experience moving forward with FYSA.

On June 5, the second grade girls will have a chance to play on the Academy fields at Lower Dacey. On June 12, the second grade boys will have a chance to play on the Academy fields at Lower Dacey.

Back to Normal on Week 10

On June 19, 2021, boys and girls typical sessions will take place at 8:15 and 10:00 to end the season. Hopefully, the trip down to Lower Dacey will excite you and your player(s) for the upcoming FYSA experience.

If you have any questions, please reach out to your coaches. We understand we're asking families to make changes for a week, however we feel the benefit is very much worth it. We look forward to seeing our players DOWN THE STEPS at Lower Dacey!

Thank you,

Evan Chelman, Instructional Director
