

JYL would like to announce a free baseball clinic for
the Mustang and Bronco division players in
partnership with the The HiToms and
The Parisi Speed School.

Saturday, April 27, 2013
Jamestown Park
2:00pm – 5:00pm
Free*

The camp is being led by the president of the HiToms baseball club, Greg Suire. Entering his 13th season as team President, Greg Suire has overseen the growth of the HiToms from a singular entity in the Coastal Plain League to an organization sponsoring amateur squads from the American Legion level to middle school. Suire has also pioneered the HiToms efforts to enhance youth baseball in the High Point/Thomasville community through the HiToms spring youth baseball clinic, instructional camps and high school fall league. The HiToms compete in the new and revived Coastal Plain League, which is a collegiate summer league, featuring top-notch college players from throughout the nation. You can see the HiToms at: www.hitoms.com.

The Parisi Speed School will be doing a 30-minute warm-up session with the players prior to the camp. They will have free "Speed Passes" for a complimentary trial session for the kids. They will be there to answer any questions concerning the programs that they offer and have literature for you to take home. From athletes 7 years old all the way to the Pros, the Parisi Speed School has allowed athletes to do the two things our program strives for: Athletes have improved their athletic performance, but more importantly, they have developed a higher level of self-confidence.

- Space is limited, RSVP with player's name to: JYLbaseballclinic@yahoo.com.
- Cost is free; however, we will be accepting donations at the clinic for the JYL baseball program.
