

Return to Play Health and Safety Protocols For JYL

RETURN-TO-PLAY OVERVIEW

We have reviewed the relevant information provided by health and government officials, as well as other youth sports organizations, to create a plan for a healthy and more safe return-to-play for our players, families and coaches. We want to emphasize that returning to play is optional, and is only recommended if participants are comfortable. Specifics such as dates given in the Return-to-Play plan are based on guidelines presented by our state's governor, local municipalities, and sport-governing bodies. This is a fluid situation; and thus, changes made at the state, local, or sport-governing body level may cause this plan to be altered or adjusted. We will do our best to continually monitor the relevant Health/Covid-19 related information from our Health and Government authorities and make necessary adjustments throughout the Jamestown Youth League (JYL) season.

RETURN-TO-PLAY GUIDELINES

During phase 2.5, the following guidelines will need to be followed by Club, Parent, Player, and Coach. These are meant to minimize the risk of spreading COVID-19, and create a safe environment for all.

Jamestown Youth League (JYL) Responsibilities

JYL Staff Education/Guidelines

- Ensure that all staff expectations and protocols are clear and attainable as we return to the fields
- Provide adequate field space at all facilities for social distancing

JYL Communication Guidelines

- Maintain open lines of communication with our members
- Anonymously share positive test results to affected members; notify health department
- Ensure all communication maintains confidentiality, privacy rules

Parent Responsibilities

- Ensure your child is healthy and symptom-free
- Check your child's temperature prior to attending any JYL training session to ensure that it falls under 100.1 degrees

- For children U10 and younger, one family member/guardian may escort them to the training fields to find their respective team/coach. Once your child has joined the training session, U8 and older parents must return to their vehicle. The U6 and U4 Parents are encouraged to return to their vehicles however if it is necessary to stay at the training site, please stay 30 feet away from the training surface
- Please consider not carpooling, but if necessary, we encourage this to be very limited
- If exiting your vehicle is necessary, a mask must be worn at all times
- Ensure child's clothing is washed after every training session
- Ensure all equipment (cleats, ball, etc) are sanitized before and after every session.
- Notify the club (director@jylsports.com) immediately if your child becomes ill for any reason

Player Responsibilities

- With parent direction, take your temperature prior to attending any JYL session to ensure that it falls under 100.1 degrees
- Wash hands thoroughly before and after training
- Bring hand sanitizer and be prepared to use before and after every training session
- Wear mask before and immediately following all training sessions. Mask wearing is not mandatory during training
- Do not touch or share anyone else's equipment (ex. gloves, shoes, uniforms, water, food)
- Players must employ social distancing before, during, and after training
- Spitting will not be permitted
- Handshakes, high fives, or any physical contact outside of active play will not be permitted
- Players must wear all equipment to the field (soccer attire, cleats, shin guards, etc...)
- Ensure that any item (water bottle, ball, etc...) that you bring to training is clearly marked with your name and is sanitized prior to each training session

PLAYER PRE-SESSION CHECKLIST

- Below is a checklist that every player should run through before attending training and games
- Players have had their temperature checked, and it falls under 100.1
- Players have their own equipment labeled with first and last name
- Players have their own water bottle labeled with first and last name

- Players have personal hand sanitizer (must use before and after training)
- Players have their personal mask to wear to and from the fields

Coaches Responsibilities:

- Upon arrival to training, coaches or staff should ask each athlete if they are experiencing any signs or symptoms of COVID-19. If the athlete has any signs or symptoms of COVID-19, they should be sent home and instructed to contact their healthcare provider as soon as possible
- Prepare the training environment for health and safety factors as mandated by local or state authorities.
- Have your own water, hand sanitizer and mask to lead by example
- Wear your own mask when socially distancing is not possible
- Take player attendance prior to each training session
- Be familiar and enforce all player responsibilities
- Gather and disinfect all personal equipment
- Isolate any player from training who is exhibiting or reporting illness concerns until they can safely be isolated from other players, coaches or parents
- Report any illness or incidents of guidelines being compromised to facility supervisor for documentation
- Ensure that every player arriving and exiting training is wearing a mask

GAME-DAY PROTOCOLS (in addition to previously listed protocols)

SPECTATOR RESPONSIBILITIES:

Anyone in attendance of a scrimmage or game at an JYL event is required to be:

- A) WEARING A MASK.
- B) following socially distance protocols (maintaining 6 feet apart) with anyone not in their immediate family.
- C) watching from the OPPOSING side of the player bench/area at least 2-3 yards from the sideline.

PLAYER RESPONSIBILITIES:

- Required to wear a mask/face covering to and from the fields.

- Maintain social distance from other teams/players/spectators when walking to field location.
- Avoid handshakes/high fives/contact during pre- and post- game activities.
- If not playing or warming up, required to wear a mask/face covering at all times in the bench area (NCYSA Regulation).
- If in the bench area, maintain social distancing.

COACHES RESPONSIBILITIES:

- Required to wear a mask/face covering.
- Ensure that all team personnel/players comply with recommended social distancing along the side-lines and mask/face covering guidelines.
