Message from MYS Coach/Player Development...

-Aaron Salter

It's been a fantastic spring season and I have really enjoyed seeing lots of you at the Revs grade night sessions and being able to watch you in as many games as possible. The in town sessions have been a lot of fun to be a part of also.

I hope everyone continues to work on the soccer skills over the summer break and I'm also excited about the summer vacation camp.

I am already underway planning what we can do in the fall season across all our programs along with helping our coaches to continue the development of all our MYS players.
