Zero Tolerance

MYS strongly values and enforces the Zero Tolerance Policy. MYS is confident our coaches and parents will teach by example how to appropriately react and handle the difficult situations which stem from an exciting and competitive soccer game.

MYS policy for an official Zero Tolerance report from BAYS is black and white.

- The coach is suspended for one game
- Second official report ends with a dismissal of the coach for the remainder of the soccer year.
- An official report is a written report filed by the game center referee to BAYS
- Unofficial reports will be handled by intown/travel directors and do not necessary result in a suspension

In this issue...

- Updates- P.1
- Calendar of Events - P.2
- Columbus Day Cup - P.3
- Plymouth Street Map - P.4

Thank You!

As part of your registration for the Fall, Mansfield Youth Soccer would like to give every registration a gift to display proudly on your vehicles. MYS car magnets are here and we would like to see a magnet for every car! Additional magnets can be purchased for **\$5.00** each at mypublicrealations@gmail.com

Fall is coming and one way to stay warm on the sidelines is to get your very own Mansfield Youth Soccer Scarf for only **\$20.00**. The scarves also make a great Holiday gift. MYS scarves can be purchased at the Columbus Day Tournament.

Have a Great Season!

Message from MYS new In-town Program Director – Jessica Grey

I am excited to join the MYS Board as the In-Town Director. I have been volunteering with MYS in the In-Town program for a few years as a Coach and as an Age Group Coordinator. My oldest son, Eli, has moved on to the Travel Program, but my youngest son, Emmitt, is currently playing in the Boys Grade K division. I started playing soccer when I was 5 years old and truly enjoy every aspect of the game, whether it is playing, coaching, or watching. My hope is to be able to pass along that passion for the game to as many kids and families as possible and to encourage as many children to get outside, meet some new friends, learn a new skill and most importantly have some fun! I will be around the In-Town Small Sided Fields most Saturday mornings so stop by and say hello.

On a final note a big THANK YOU to my predecessor Teri Fleming for all the work she did for this program over the last few years. If you see Teri around, please make sure you say thank you for everything she has done for the program and her continued support as a Travel Coach and the MYS Board Secretary.

Feel the Sting!

Coach Aaron's Soccer Tip ...Shooting!

- Observe the goalkeeper's position. Have they left a gap that you can exploit?
- Select the best technique for your shot. A side foot shot will have greater accuracy, but an instep (laces) with good follow-through will have greater power.
- Put your non-kicking foot alongside the ball.
- Keep your head down and your eyes on the ball when striking.
- Keep your body over the ball.
- Make contact with the middle to top half of the ball.
- Maintain your composure

BAYS Law 15 – Throw In

www.bays.org

Rules of the Game

When the ball has completely crossed the touchline (sideline), it is put back into play by a throw-in from the spot, indicated by the referee, where it went out, by a player from the team opposite to that of the player who last touched it. The throw-in must be taken with both feet on the ground and off the field or on the touchline using both hands delivering the ball from behind and over the thrower's head. All opponents must remain at least two yards from the thrower until the throw-in is taken. A goal cannot be scored directly from a throw-in. A player who receives the ball directly from a throw-in is not offside. If the throw-in goes directly to the thrower's goalkeeper, that goalkeeper cannot play the ball with his/her hands. If the ball is not put into play from the spot indicated by the referee, the throwing team loses the throw to the other team, who must restart the game with a throw-in from the indicated spot.

Turf Policy

NO - glass containers of any kind, metal cleats, food or drink (water allowed), sports drinks, smoking, scooters, bicycles, gum or seeds

NO - Chairs or tents on the synthetic surface. Must be place on pavement
