## Zero Tolerance

MYS strongly values and enforces the Zero Tolerance Policy. MYS is confident our coaches and parents will teach by example how to appropriately react and handle the difficult situations which stem from an exciting and competitive soccer game.

MYS policy for an official Zero Tolerance report from BAYS is black and white.

-The coach is suspended for one game

-Second official report ends with a dismissal of the coach for the remainder of the soccer year.

-An official report is a written report filed by the game center referee to BAYS

-Unofficial reports will be handled by intown/travel directors and do not necessary result in a suspension

## Rules of the Game

When the ball has completely crossed the touchline (sideline), it is put back into play by a throw-in from the spot, indicated by the referee, where it went out, by a player from the team opposite to that of the player who last touched it. The throw-in must be taken with both feet on the ground and off the field or on the touchline using both hands delivering the ball from behind and over the thrower's head.

All opponents must remain at least two yards from the thrower until the throw-in is taken. A goal cannot be scored directly from a throw-in. A player who receives the ball directly from a throw-in is not offside. If the throw-in goes directly to the thrower's goalkeeper, that goalkeeper cannot play the ball with his/her hands.

If the ball is not put into play from the spot indicated by the referee, the throwing team loses the throw to the other team, who must restart the game with a throw-in from the indicated spot.

THE  
RULES!

## Coach Aaron's Soccer Tip ... Shooting!

- Observe the goalkeeper's position. Have they left a gap that you can exploit?
- Select the best technique for your shot. A side foot shot will have greater accuracy, but an instep (laces) with good follow-through will have greater power.
- Put your non-kicking foot alongside the ball.
- Keep your head down and your eyes on the ball when striking.
- Keep your body over the ball.
- Make contact with the middle to top half of the ball.
- Maintain your composure

## MYS Scholarship Award Recipients

Every Spring Mansfield Youth Soccer awards two \$1,000 scholarships to graduating high school seniors who have been involved with MYS.

The first scholarship has been established in Rick Weinacht's memory to continue to share the joy of soccer Mr. Weinacht demonstrated throughout his years as a dedicated volunteer to the Mansfield Youth Soccer organization. **Luke Savoie** is this year's recipient. Luke will be attending WPI in the fall.

The second scholarship has been established in Fallon Finegan's memory to continue to share the joy of soccer she demonstrated throughout her years as a youth soccer player and valued teammate. This year's scholarship is awarded to **Stephanie Kemp**. Stephanie will be attending UMass Lowell in the fall.

Mansfield Youth Soccer is proud to be affiliated with such accomplished student athletes and role models. We wish Stephanie and Luke the best of luck in college.
