

MFC – 2020/21
Club Update

Partnership Announcement

MANSFIELD LEGACY SOCCER CLUB

Why?

- After long discussion, Director of Coaching Aaron Salter along with the Mansfield Youth Soccer Board decided the best option for the future of the MFC program was to merge with another like-minded local club.
- This allows us greater opportunity to integrate MYS and outside-based players together to create a stronger program with a more diverse and expanded team pool.
- Gives the program more stability moving forward across all age groups, especially those groups that move to a 11v11 roster as well as High School age groups.
- Allows us to unite, combining forces, in an already club heavy environment.
- Allows MYS the opportunity to continue to retain Aaron as Director of Coaching on the town-side of the MYS program while he also oversees the Mansfield Legacy club.
