WHAT IS THE MASS YOUTH TOWN SELECT LEAGUE?

The Massachusetts Youth Soccer Town Select League (TSL) is a partnership between Mass Youth and its town member organizations to offer selected players a higher level of training and competition. It is envisioned as a bridge path to higher level state and club programs. It is not a replacement for existing town based or club programs.

WHO RUNS THE TOWN SELECT LEAGUE?

The TSL will be operated by Mass Youth Soccer staff under direction of the Mass Youth Board of Directors and Advisory Council of town organizations who have opted in to the program. The 50 town organizations in the pilot area are placed in 5 groups called "TSG's" to work together and support teams. Each of the 5 groups has a spot on the Advisory Council.

WHO IS ELIGIBLE FOR THE TSL?

For the Fall 2016-Spring 2017 soccer year, the TSL will be run as a pilot program offered to U11 (born in 2006) and U12 (born in 2005) boys and girls who participate in town-based programs who are members of Essex County Youth Soccer or Middlesex Youth Soccer League. Players are selected via tryouts, and must be active in their town travel programs and must not be committed to a club program.

HOW ARE TRYOUTS RUN?

Tryouts will be conducted at multiple locations over a 4-week period. Players must pre-register and will be notified of tryout dates and locations for their assigned TSG. The tryouts will be overseen by the Mass Youth Technical Staff, with evaluators made up of selected coaches and TSG representatives. Each tryout will be scheduled for approximately 90-minutes, and there will 2 sessions plus a final make-up session available for players from each TSG.

DOES EVERYONE MAKE A TEAM?

No. As the name indicates, the TSL is a Select league. Players are offered positions based on tryouts. In most cases, there will be one team per age/gender, but additional teams may be formed if warranted by numbers and development level of players trying out.

WHAT IS THE TIME COMMITMENT REQUIRED OF PLAYERS?

Players on TSL teams will have one weeknight practice/training session per week and will play 6 games per season (fall/spring). There will be 3-4 scheduled game days on alternating Sundays and teams will play 2 games on each game day at a single location.

HOW FAR DO PLAYERS AND FAMILIES NEED TO TRAVEL?

Practices will take place on local fields within the player's TSG. Games will be played on fields located within the Essex/Middlesex area, approximately along the Route 1/93/95/495/128 corridors.

WHO ARE THE COACHES?

TSL Coaches will be compensated employees of Mass Youth, and will be selected via an application process. Each coach will meet specific education and experience levels, supported by references and recommendations by our town members.

HOW MUCH DOES THIS COST?

The player fee for the fall/spring soccer year is \$700. This includes all expenses including coaches, field rentals, team equipment, staff fees, referee fees, and full uniform. Note that no player who qualifies for a team will be denied a place due to financial considerations.

WHEN IS PAYMENT DUE?

Payment will be due when a player is selected for, and accepts, a position on a team. Payments may be full or distributed in 3 installments.

WHAT ABOUT THE WINTER?

The TSL will offer players the opportunity for winter training and/or futsal competition. Winter sessions will be available as a separate registration and fee. Details will be available in September.
