

Oakmont Youth Basketball League

Parents' Code of Ethics

This form is a covenant between parents, players and coaches of the OYBL and is meant to be a way of ensuring that the league can fulfill its mission of teaching young players the fundamentals of basketball in a structured and nurturing environment. If any terms of this agreement are violated during the course of the season, the league reserves the right to rescind a child's PRIVILEGE to play.

By signing this form, I acknowledge and agree to abide by the following:

- ❖ I understand that the OYBL is an instructional league, whose mission is to teach young players the fundamentals of basketball while having FUN.
- ❖ I understand that the OYBL continually strives to teach the importance of commitment, teamwork, and true sportsmanship that should be exhibited not only in this sport, but in all athletic activities.
- ❖ I understand that the OYBL will not tolerate foul or abusive language/behavior from any player, coach, parent, or spectator (this would include, among other things: heckling, yelling, taunting, harassment, or the berating of officials or coaches).
- ❖ I will set an example for the players by being a courteous and respectful spectator at all practices and games. I understand that I may be asked to leave a practice and/or game if I cannot fulfill this obligation.
- ❖ I understand that gym time throughout the District is at a premium and that the league is very fortunate to have use of District facilities. I will honor the "Season Rules" that have been established at each school and will help my child to adhere to these rules.
- ❖ I understand that all coaches are giving freely of their time and talents and under no circumstances will I do or say anything to undermine their efforts. If I have a problem with a coach or coaches, I will bring this concern to the attention of the "OYBL Board of Directors."
- ❖ I understand that the OYBL will not issue a refund of my registration fee should my child choose to leave the league – for any reason other than medical or an extraordinary circumstance beyond the family's control – after the draft has been conducted.
