

Football pictures will be taking place on Sunday, September 9th. We will be taking team pictures as well as individual player pictures. Individual Pictures are optional but we would like to have every player present for team pictures. Your child's photos will be delivered via email. When purchasing you will be receiving a digital image/file to download and print as you wish along with the print release to go with it. Again when making a purchase you will not be purchasing a printed photo but the digital file and print release. All purchases must be made at that time and cash payment is required. All orders should be completed 2-3 weeks from the date your photo is taken. Individual photos are optional and encouraged but again we would like all players there for the team photo. Please arrive 10 min before your scheduled time to keep everyone on schedule as we have multiple teams to photograph. Listed below are the prices for photos.
