The tournament is open to age brackets U8 through U18, boys and girls, both competitive and non-competitive. Teams play either one or two days over the three-day long tournament on the very same fields as the the NVYSL NCUP and teNCup tournaments. Girls and U8 play Saturday while boys play on Sunday - competitive playoffs on Monday.

The entire tournament takes place in a single location, on adjacent fields with plenty of free parking. Spectators are allowed to setup team tents with tables and chairs in areas surrounding the fields.

There will be vendors for food, soccer equipment, merchandise and more. The Fall Classic is truly a festival-like atmosphere for soccer enthusiasts of all ages. Hope to see you there!
