

PROSPECT ATHLETIC RECREATION ASSOCIATION

PO BOX 2593 MONROE, NC 28111

January 10, 2013

Dear Prospect Athletic Association Member,

We regret to inform you that Prospect Athletic Association's bank has returned a check that was submitted by you for payment of your child's sport and/or membership fees. The check in question is attached to this email for your reference.

We, here at Prospect Athletic Association, know full well of the state of our economy and how it has impacted many people and their financial position. And of course, who hasn't made an error in math while balancing a checking account. Our main goal as an association of parents, of whom you are an active member, is to provide a safe and healthy environment for our children to participate and enjoy recreational sports. We are a non-profit organization that operates on a tight budget and depends on the sport fees and memberships to fund our ability to host and facilitate the sport activities we provide.

At this time, we would like to ask that you please contact the President, Treasurer, or your Sport Commissioner to arrange how to make this shortfall up, and to keep your membership in good standing. We ask that you take responsibility for the amount of the check plus the bank charges (\$12.00) incurred with processing the returned check. If payment of the entire amount due cannot be made all at once, please make the proper arrangements to plan a payment schedule. Remember, any unpaid balances are due before registration for another sport can be completed.

We thank you in advance for your understanding and cooperation in this matter. If you have any questions or concerns, please contact one of the following:

Eddie Parr	President, Prospect Athletic Association
Paul Ryan	Treasurer
Mark Batson	Basketball Commissioner
