

## Quabbin Area Youth Track and Field Club

Dear Parents and Guardians,

Quabbin alumni, coaches and current track athletes, in conjunction with USA Track & Field, will once again host the Quabbin Area Youth Track & Field Club for local elementary school students. The purpose of the club is to expose elementary school students to the many different activities involved in track and field.

This five-week program will run on **Mondays and Thursdays from 4:30 PM to 6:00 PM**. The start date will be Monday, June 16th, and the program will conclude with a track meet on Thursday, July 17th. Elementary school students currently in kindergarten through 6th grade are welcome to participate.

Thanks to the efforts of the volunteers involved in the program, there will be no cost to the participants. However, donations will always be accepted and used toward program costs. We are asking for students who are interested in participating to return the completed form at the bottom of this letter to their school office by **Monday, June 2nd**.

This year, **t-shirts will be available for purchase for \$10** (optional). Please include cash or check payable to QRSD with your registration form if you would like a t-shirt for your child. Please circle below if interested in being a parent volunteer for the program.

If you have any questions or concerns about the program, please contact the following individuals:
