

RUSC Night at the NE Revolution

Dear RUSC Parents,

Each year RUSC organizes a group purchase of New England Revolution tickets at a discounted rate. This year we will be attending the NE Revolution vs. New York Red Bulls on September 22 at 7:30 PM, and tickets are just \$10 — that's a \$36 Category II ticket for just \$10! What's the catch? -- we only have 250 tickets and those always sell quickly. Get your tickets now by clicking on the link to the RUSC site below:

The Bulls are 2nd in the Eastern Conference right now but when they last met, the Revs beat the Red Bulls 2-0. Scores came from Lee Nguyen's shot from outside the penalty area and a cool shot by Jerry Bengtson off an attack started by Shalrie Joseph and Saer Sene. We can expect another exciting game from these two teams.

But wait ... there's more. We will convoy down to a reserved, free parking area at Gillette Stadium in Foxborough for a fun tailgate party starting at 5:30PM and ending 15 minutes before the game. You can bring a grill, your favorite food, and beverages. Like last year, we will hold the ball juggling and freestyle competitions with Revs memorabilia as prizes—start practicing!

It makes my life easier if you read this description and buy your tickets right now, so if you order more than (4) tickets you will receive your choice of (2) pre-game field passes or (2) spots in the Rally Tunnel prior to the game. Both of these are first-come-first serve while they last.

I know what you are thinking: the tickets are discounted, the parking is free, pre-game perks, memorabilia, we get waved past the lines, soccer is a great game...what else you got Brian?

I've got one more thing. This year we have again negotiated a special perk. RUSC teams who sign up their entire roster for tickets (>10 players) will be entered into a drawing for (11) passes to go down to the field at Gillette Stadium during opening ceremonies as Revs player escorts! How cool is that? To participate in the drawing your team coach must submit the roster to me after you have purchased.

That's enough but, I have to admit I'm working on _one more surprise_ so be sure to come to the tailgate.

Ticket sales close Friday 9/7 and pickup will be announced shortly afterwards. It will be at Longwood and/or the Burbank YMCA around 6:30PM. Tickets cannot be mailed.

This event is a lot of fun for kids and adults and I hope everyone can come to enjoy the "beautiful game" with RUSC at the Revs.

Regards,

Brian C. Wadell
