NOTES

U10, U12, U14 and High School

Many fields are double booked for practices, so each team will get half the field - Need to keep 10 feet clear on both sides of the center line

Teams may be assigned to one practice field on one day and another field on their other day. This is so that each team at that age group gets at least one practice on their home game field.

If you are looking at holding extra practices (U10+) on a day that only one team is assigned to a field, reach out to the assigned coach to make sure that the other half of the field is still available

If you are looking at holding extra practices (U10+) on a day that no team is assigned to a field, email all U10+ coaches (teams may use other age fields) to let them know which field you will be using

If you have to make up a home game (U10+) and it has to be done during the week, you may need to work with coaches assigned to your age appropriate field to find availability

You can email your team directly through Sports Manager (directions below)

Must avoid physical contact between kids as much as possible

Maintain social distance of 6 plus feet whenever possible

Coaches MUST have a facila covering on at all times

Kids MUST have a facial covering on when not actively playing, when arriving and leaving the field - This may change and require masks at all times per MA Youth Soccer

How to Email Your Team

U10, U12, U14 & High School

Log into Sports Manager to email your team

- Go to the RYS website <https://www.sportsmanager.us/rutlandyouthsoccer.htm>
- Click *Login In* on the top of the page
- Click *Coach/Director Login* and log into your account
- On the left column, click *Emailing/Texting*
- From here you can email your entire team or select individual recipients
