Notes: Fields must be lined EVERY week!

Fields should be painted on Thursday nights. Friday acceptable if rain on Thursday.

Coaches can assign to a parent but it is the COACH responsibility to ensure field is lined.

Community center fields can be lined well but only in one direction

ALL other fields should be lined in both directions. That means 2 coats of paint per lining

Naquag Elementary School field can't be lined before 3pm

CTMS fields can be lined after 4:30pm.
