

SUAA GYM ADVERTISING OPPORTUNITIES

South Union Athletic Association (a 501(c)3 organization) is raising money for HVAC units inside our gymnasium. For many years we have utilized the gym utilizing only a heating source with limited ability to control the humidity and condensation build-up. This effort is our initial fundraising kick-off to start the funding to cover the costs of this immense and very expensive project. Our association supports roughly 500+ families annually and needs community / business involvement to help support initiatives such as these to improve not only the atmosphere, but provide a safe environment for our athletes to practice and play in.

1"x8" Community Acknowledgment Board

- \$100.00 minimum donation
- Name, Family's Name, or Business Name showing your support for the organization
- Each line is 40 characters including spaces
- Displayed in Gym Lobby
- No Logos

Commercial Advertising
