Weekend Session Plan Guidance

Under 5

Focus: Dribbling, Plus 1 Skills Pyramid

Time: Each weekend session lasts for 60 minutes

Planning:

- 1) Print out and read through Weekend Session Plan
- 2) Become familiar with the Plus 1 Skills triangle
- 3) Arrive at the field 15 minutes prior to scheduled start time
- 4) Set up pug nets and cones to facilitate a smooth session plan

Each Session Plan consists of the following:

- 1) Guidance (the page you are reading)
- 2) Plus 1 Skills Pyramid Diagram
- 3) Warm-Up Activity*
- 4) Activity 1
- 5) Controlled Juggling
- 6) Activity 2
- 7) Small Sided Game

*Session Plan #1 includes (4) additional sheets

Session Structure:

Warm-Up Activity (12 Minutes): Incorporate skills from the Plus 1 Skills triangle into the Warm-Up Activity. Skills Pyramid skills should be introduced one by one and no more than (3) per session. Work in succession of the pyramid and introduce all skills by weekend session #5. Skills introduced in the previous session should be reviewed in every subsequent warm-up activity. Session Plan #1 includes (4) additional sheets that provide additional warm up activity guidance and how to perform the step over and drag back escape turns. All skills should not be introduced in week one. This guidance is included to assist coaches throughout all sessions.

Activity 1 (12 Minutes): Activity 1 is a fun activity for the children. Incorporate the activity as described. Find ways that change the activity slightly so that you are not repeating the “exact” drill over and over. Adding skill moves (pull back) when collecting the ball or seeing which group can complete the activity first are ways to make the activities more interesting as they get later into the allowed timeframe.

Snack/Water Break (4 Minutes)

Controlled Juggling (4 Minutes): **Incorporate into every practice.** A few minutes only, players drop the ball to their thigh and foot and try to kick or bounce the ball back to their own hands (repeat). Concentrate more on foot juggling.

Activity 2 (12 Minutes): Same guidance given for Activity 1 above

Small Sided game: There are no substitutions. All players should play for a few minutes (3 to 5) and all players should rest. Games should be played across the field with pug nets with a maximum of 4v4. Additional fields should be set up to accommodate players. Coaches should pair players of like abilities in game play (e.g. your top three vs. their top three, etc.). Coaches should be stationed on the field to introduce a new ball into play when a ball exits the field or enters a goal; this is accomplished by throwing it up in the air or rolling it to a player who is hasn't had many touches on the ball. There should be no restarts. Only use kickoffs after a break or at the start of the game.

PLUS | SKILLS CHALLENGE PYRAMID™

TIER A

1. Laces Dribble – With the toes pointing down towards the ground push the ball forward with the laces, knee bent over ball on contact. After each touch step through with the opposite foot.

2. Foundations – using the inside of both feet push the ball from one foot to the other. On the spot initially then moving forward and back when comfortable

3. Toe Taps Forward – Using the toe end of the sole, tap the top of the ball - alternating left and right feet. On the spot initially, with a slow rhythm and then hopping. Once competent in a stationary position, move forwards.

4. Toe Taps Backward – Using the toe end of the sole, tap the top of the ball - alternating left and right feet. On the spot initially, with a slow rhythm and then hopping. Once competent in a stationary position, move backwards.

TIER B

5. Step-On Turn – Dribble forward, place the sole of one foot on the ball to stop momentum, step beyond the ball with both feet leaving the ball, turn to face the ball and dribble back. Repeat several times using both feet.

6. Drag Back Turn – Dribble forward, stop forward momentum of the ball by reaching forward with one foot and placing the sole of the foot on top of the ball, drag (roll) the ball back down the side of the body away from the defender and accelerate into a dribble.

7. Back Heel – Dribble forward, step beyond the ball, make contact with the heel of one foot sending the ball backwards, turn and accelerate into a dribble.

TIER C

8. Inside Cut – Dribble forward, stop forward momentum of the ball by reaching forward with inside of one foot and 'cutting' the ball back down the inside of the body (away from the defender) in one movement and accelerate into a dribble.

9. Ball Rolls – Using the inside, outside and sole of one foot, roll the ball side to side, backwards and forwards and keeping contact with the ball at all times. Both feet.

TIER D

10. Outside Cut – Dribble forward, stop forward momentum of the ball by reaching forward

Materials Needed

Group of Players

- Cones and Flags
- Large supply of balls
- 20 x 25 playing field

Body Part Dribbling (Dribbling)

Description:

In a designated area, determined by the coach and number of players, all the players dribble a soccer ball. When the coach calls out the name of a body part, players must touch the body part to the ball as quickly as possible.

Coaching Points

- Head up while dribbling
- Bend knees and stay on balls of feet
- Lots of touches to ensure close control

Progressions:

Coach should vary body parts and rate at which he calls out body parts. At times, call out body parts consecutively (i.e. tummy, nose, elbow) during one stoppage or call out two body parts at once. (i.e. both hands or both feet.)

Materials Needed

Area 20 x 20 yds

- Ball per Player
- Cones
- Training Vests

Antz Nests (Dribbling, Turns)

Description:

Four equal teams of Antz must work quickly to build their ants nest. In the four corners of the square the coach sets 3x3 yd squares. The objective is to fill the nest with supplies first – three balls.

Coaching Points

- Quick turns and dribble
- Look around to see which groups are closest to winning
- Stay upright when competing for a ball

Progressions:

Each Ant has a name (characters from the movie) – Z, Weaver, Princess Bala and Barbatus. When the coach shouts a name, the ants of the same name from each team collect supplies (balls) from the center of the square – one at a time only. The objective is to fill the nest with supplies first – three balls.

Story: 'Z, Weaver, Princess Bala and Barbatus need to collect supplies for the Antz nest before the supplies run out – three rival colonies are also sharing so the team must move fast?'

Progression/variations:

Eliminate balls each round so there are not enough for each team to have three balls. Allow the players to steal one ball at a time from an opposing group until they have three.

Materials Needed

Open area

- One ball per player

Controlled Juggling (Relaxation)

Description:

Players start with the soccer ball in their hands. They drop the ball on their thigh (juggle it once), and catch it. As they get better at it, they can try juggling the ball from one thigh to the other thigh and then catch it.

Coaching Points

- Fun
- Thigh, foot - eye coordination
- Soft touches
- Preparation Touches

Progressions:

The coach can suggest any combination that is reasonable for this age group. This is used to help develop your players confidence on the ball and develop their foot/thigh - eye coordination.

Materials Needed

Balls

- Cones
- Training Vest

Follow the leader (Dribbling)

Description:

Player 1 starts without a ball and player 2 has a ball at his/her feet. Player 1 starts by slowly jogging around the area for player 2 to follow (with the ball). The aim for player 2 is to stay as close to player 1 as possible. After 45 seconds change roles.

Coaching Points

- Awareness of the leader
- Keep head up
- Keep close and moving at all times.

Progressions:

Players must be prepared to be sharp with the change of direction.

Match 3 v 3 (Game)

Description:

A small sided game 3v3 is a good way to finish a practice session. Use the opportunity to emphasize the theme of the session - award points for a particular move in addition to scoring a goal. Let the players play with little or no coaching - 15-20 minutes at the end of the session.

Coaching Points

- Little or no coaching
- Encourage players to try skills practiced during the session

Progressions:

The final activity of most practice sessions should focus on the theme of the session. Conditions can be added by the coach to emphasize the theme. For example, the coach can award a point (goal) if a player performs a turn learned during the session. Other conditions/progressions include: 1 or 2 touches, 1 touch finish, All players must touch the ball before scoring, Add a plus player (an extra player for the team in possession of the ball), 3 goals - one scored with the right foot, one with the left foot and one with the head (or any surface).

Materials Needed

Area 30 x 15 yds

- Balls
- Cones
- Training Vests
- Small Goals
