**Cardinal Sports Imaging Inc. (CSI) is
dedicated to capturing and delivering
high-quality photographs of today's
youth players as they participate in:**

- Youth Organizations
- High Schools
- Colleges

Our team of trained sports photographers work with you and your organization to provide the players and their families pictures like they've never seen before.

CSI's photographers use digital cameras to collect and store the images. Our trained computer technicians then review the images and provide the proper enhancements to deliver a quality photograph.

All photographs are printed on KODAK PAPER and we offer a 100% money-back guarantee if you are not completely satisfied.

When you want to order additional photos or photo accessories, visit our web site at **www.cardinalsportsimaging.com**. These images and accessories make great gifts for Christmas, Mother's and Father's Days or other special occasions.
