Coach/Adult Registration

If you head to this website http://www.mayouthsoccer.org/members/adult_registration/

Follow the onscreen instructions. Wherever they ask you the league name choose **United Soccer of Auburn**. Just select "Coach" or "Head Coach" or "Volunteer" as role in the organization

Once you are registered with Mass Youth, you will receive an e-mail with a link to complete the CORI submission part. When you do that, please be sure to print off the form at the end of the process, sign it, and hang onto it until I see you probably mid-March for coach orientation.
