

SportsManager Soccer Travel Coaches Instructions

Login process:

1. Go to your site link. (www.sportsmanager.us/wysl.htm)
2. Click login button at the top of the page.
3. Click the Coach/Director tab and it will ask for email address and password.
4. If you don't know or have not defined your personal password, then click the below to have a default password emailed to you.
5. Enter your email address and password. After you login you can change the password to something you can remember.

Note: Players or parents cannot login to the team site. The team login is just for coaches at this time to manage their team and send emails. Parents/players can get their schedules and email their coach on the parent login page if they need to. Or they can just go to the main site in public mode to view schedules, standings and coach list.

The screenshot shows a login form with an orange header bar that reads "Please enter your email and password to login". Below the header, there are two input fields: "Email address:" and "Password:". To the right of the "Password:" field is a "Login" button. Below the "Login" button is a link that says "If you have forgotten/don't have a password Click Here and a password will be emailed to you.".
