Academy

Clinic information

Wakefield Soccer Association along with Wakefield United will be hosting two summer clinics during the summer vacation at Walton Field next to Galvin Middle school.

WSA's vacation clinics are age specific, player development programs with activities and games which develop the technical and tactical aspects of soccer

WSA will be bringing in experienced coaches, who have a vast knowledge in developing players. These individuals hold a variety of positions in the world of soccer including college coaches and various other professional soccer clubs in the area.
