3. Crossover run

Technical (10 mins)

Organization 20 x 20 square split into 2.

4v0 each group has a ball.

Players pass and move and make different combinations in there area.

Coaching points

1. Can the passes have the correct weight and accuracy?
2. Can we support each other with smart movement?
3. Are we using the area to our advantage? use the full width and length of the area
4. Does it look like soccer?
5. Are we using 1-2's and other combinations.

4v2 (15 mins)

Organization 20 x 20 square split into 2
4v2 (if the players are struggling 4v1) in the square - can we keep possession?

Switch defenders every 1 minute - not when intercepted.

Coaching Points

1. Smartpass - easy pass option can we keep the ball?
 2. Then can we split them through the middle - opposite player needs to be aware and switched on.
 3. Is there atleast 2 options for each player with the ball?
- Supporting runs
4. Speed of play - quick ball movement!

6v3 (20 mins)

Organization

30 x 30 area

Players are trying to keep possession of the ball, touches a unlimited to begin with but as the group progresses limit to two touches

Coaching Points

1. Width - are we stretching the defenders and making them move from side to side?
2. Penetration - are we penetrating with passes? Can we play around the corner?
3. Quick passes 1 and 2 touches only when possible
4. Can we create triangles

Additional progression

1. 6v4 or 7v4.

Game (20 mins)
