Organization

30 x 30 Diamond shape, each player has a ball and each cone can have up to 3 players at it.

players dribble up to blue central cone and perform the skill requested by the coach

Turns

1. *Drag back* - put the foot on top of the ball and gently pull backwards, so the ball rolls behind players turn in the same direction as the foot they used and dribble back
2. *Back Heel Turn* - Using a little push with the back of the heel, then turn in the same direction as the foot used - When the players use the heel to turn, that touch should still keep the ball close to them.
3. *Cruyff Turn* Players dribble up to the cone and pretend to strike the ball - instead the foot goes over the ball, players turn their toes inwards, then use the center of the foot to push the ball behind them, again keeping the ball close to them.
4. *Outside Hook* - players dribble up to the cone and then turn away sharply - pushing the ball backwards with the outside of the foot, the turn and push of the foot should be done together.
