Training sessions are designed to help players improve their **technical skills** as individuals and **tactical knowledge** through teamwork, but most of all foster their **enjoyment for the game**.

Sessions focus a great deal on preseason training. We believe player development must involve game conditions and teamwork to promote confidence and decision-making.

Focus of Training Topics:

- Passing
- 1st Touch
- Dribbling
- Crossing and Finishing
- 1v1 Attacking
- Individual Defending
- Possession
- Combination Plays
- Team Tactics
- Team Defense
- Conditioning
- Speed and Agility

Staff Experience:

- Collegiate, Professional and National Team (Ghana U-20s)
- Club, High School and College Coaches
