

Welcome to West Boylston U8 Fall Soccer!

Thank you so much for registering your player! We are excited to be back on the field! We wanted to pass along some information regarding the upcoming season. We are still in need of adult volunteers, in particular we will need **one head coach**. Coaching experience is not necessary and we provide coaches with all equipment and league rules. Additionally, we can provide coaches with practice drill examples. Coaching gives you a unique experience and is very rewarding. Please send us an email if you are willing to help out. Once we have all of our volunteers in place, we will be able to send out our final teams and game schedules.

SCHEDULE:

All practices and games will take place at Goodale park. U8 plays next to the playground in the outfield of the softball field. Teams will have one weekday practice along with a Saturday game. Once teams are determined, you will receive an email from your coach with the practice day/time along with game schedule.

All games will also be played at Goodale on **Saturday mornings at 10:00 or 11:00**, our first games will be **Saturday September 11th**. There will be no games on Columbus Day weekend. Our final game of the season will be **Saturday November 6th**.

EQUIPMENT:

All players will need shin guards (worn under socks) and water. Please label your participant's water bottle. Team jerseys will be provided. Additionally, cleats are not necessary but are recommended.

If you have any questions or concerns, or if you would like to volunteer, please contact either Tammy or Stacy at the emails below.
