

2012

WSAB WEEKLY FIELD MAINTENANCE

This includes cutting of grass on fields and walkways and trimming of banks and around fields. Also empty garbage drums into dumpster located by the concession stand. The week starts on Saturday and you have until the following Friday to complete this task. Please try to keep up with this as we want to provide a neat and clean environment for all. Please get parents involved on your teams it takes less time if more are available to help. Thank you
