Kevin,

Here is the list that Maura put together. Let me know if you need anything else. On another note, what do you think about starting Kaleb tomorrow night. UAA can hit, but I think they will be better fastball hitters. Thought that we could possibly see how it goes with him.

Mike

Trooper Walker,

Enclosed please find the preliminary report regarding the items stolen from the West Sunbury Baseball Association Concession Stand, I believe this report includes the majority of the items from our inventory. I think the only thing that may be outstanding is the cost of the new deadbolts and keys that were purchased to temporarily fix the door. The deadbolts were approximately \$40.00 and I am still awaiting the bill for the new keys we had to have made. Feel free to contact me if you have any questions or need anything else from us.

Thanks for all the help.

Mike
